</tbody>
</table>

**Notes**

1. The exams will be held in the Senior Study Centre, N1.

2. **Subjects that do not have exams will follow the normal timetable.** Subjects with exams will not have their timetabled lessons for these subjects during the examination period.

3. Uniform needs to be worn when students attend college, as per usual.

4. Exams are 3 hours long with an additional 10 minutes for reading, unless otherwise specified.

5. **8:00 am and 12:30 pm starting times are used as the final exams start at these times.** Make sure you are present about 15 minutes before the starting time for an exam.

6. Go to the toilet **before the start.** Toilets cannot be accessed during exams.

   Bring a water drink bottle along, and maybe some dried fruit and nuts (non-salted), but **don’t drink much early** in each exam!

   Trial exams are practice exams. They are to be taken seriously. Examination rules apply. The trial exams give you an opportunity to familiarise yourself with the conditions, the format and style of questions, as well as giving a final opportunity to refine exam techniques. They are often not good indicators of final results, but they may be used to help predict exam marks. Most students can improve their marks in the final exam, sometimes significantly, if they put quality time and effort in!

---

Your teachers wish you God’s blessings in this final stage of the year. “The Lord guides us in the way we should go…” (Psalm 37:23)
